OUTDOOR JOBS IN THE CCC ... LEARN MORE IN NORWALK **MARCH 28-31**

The California Conservation Corps has job openings in Norwalk and throughout the state -- young people will have a chance to learn more about the corpsmember positions March 28-31.

To fill the openings for the full-time CCC positions, orientation sessions are scheduled in Norwalk March 28 through March 31, from 10 a.m. to 4:30 p.m. Corps staff will be on hand at the CCC's Norwalk Center on the grounds of Metropolitan State Hospital, 11401 Bloomfield Avenue. Those attending should enter the hospital grounds from the Bloomfield Avenue entrance and follow the signs to Building 204. Parents are welcome to attend.

Applicants must be between 18 and 25 years of age, California residents and not on probation or parole. Women are encouraged to apply. Those attending the orientation session should bring a photo ID and either a Social Security card or birth certificate.

Positions are available on the Norwalk CCC crews, allowing corpsmembers to live at home and commute to work. Applicants may also choose to live at a residential center in northern California, such as the Corps' facility near Lake Tahoe.
